Calumet Electronics Announces 40th Anniversary

Calumet Electronics enters its 40th year of manufacturing hi-reliability printed circuit boards. Every board is proudly built in the security of its Calumet, MI, USA facility. The company is registered as a Small Business by the SBA and a certified HUBZone Enterprise. Financial strength is continually rated at 4A1 by D&B. Product realization is achieved through teamwork operating within a quality system registered to ISO9001:2000 and certified by the Department of Defense to Military Performance Specifications for Printed Circuit Boards; MIL-PRF-31032 and MIL-PRF-55110.

Calumet Electronics understands that there is a difference in levels of quality and customer satisfaction. The difference between good enough and optimum defines product value and customer relationships. Corporate focus hasn't changed in 40 years; provide optimum value in every board and to every relationship! At 40, Calumet remains committed to providing value and to making the difference!
