

# AMERICA'S ONLY HUBZONE-CERTIFIED PCB MANUFACTURER

DoD PROJECT READY

NADCAP

PROTECTING AMERICAN ELECTRONICS

HUBZONE CERTIFIED

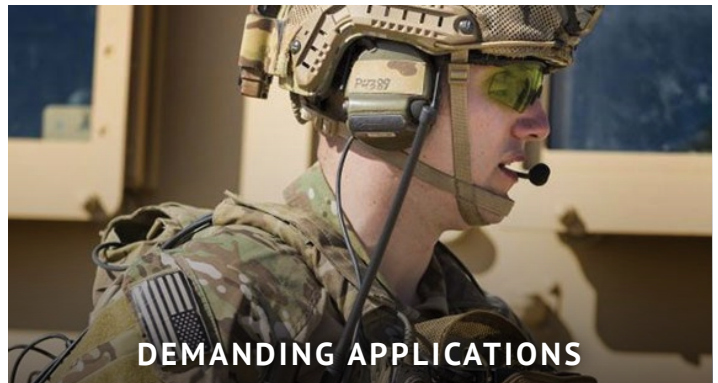

## SAFE. SECURE. SUSTAINABLE.™

Based in the remote Upper Peninsula of Michigan, Calumet is a safe harbor for the American electronics industry supply chain.

Calumet is 100% American owned – exceeding ITAR and NADCAP standards.

Manufacturing is done entirely in Calumet, Michigan with no offshoring, brokering or outsourcing.

Calumet has the engineering talent and manufacturing infrastructure needed to supply high-performance PCB manufacturing.
